If you have any questions, please email Erin.LaCount@dinoridge.org. Dinosaur Ridge Located in Jefferson Open Space County, Dinosaur Ridge is one of the most important paleontology sites on Earth. Our world-class iconic site has been classified by paleontologists as the #1 dinosaur track site in the nation, and one of the most important in the world. Dinosaur Ridge attracts 245,000 annual visitors to our outdoor museum to see 300+ dinosaur tracks still preserved on the sandstone slope. Dinosaur Ridge was also the site of Stegosaurus's first discovery on earth and was designated National Natural Landmark in 1973. The Friends of Dinosaur Ridge is a non-profit organization 501(c)(3) founded in 1989 with the aim of preserving fossils on Dinosaur Ridge and educating the public on the natural history of the area. Our mission was then expanded to include the fossil sites of the Triceratops Trail in Golden, Colorado. Equal Opportunity Employer Friends of Dinosaur Ridge is an equal opportunity employer. We celebrate diversity and we are committed to creating an inclusive environment for all employees, volunteers and guests. We do not discriminate race, color, religion, civil status, age, national origin, ancestors, physical or mental disability, medical condition, pregnancy, genetic information, gender, sexual orientation, gender identity or expression, veteran state, or any other state protected by federal, state or local law. All aspects of employment, including the decision to hire, promote, discipline or download, will be based on work requirements, individual performance and business needs. He needs it.
