I have already pulled the original dishwasher out and would like to get new one in asap for the wife. Verified Tyler Z. and 87 other Appliance Specialists are ready to help you Ask your own question now Was this answer helpful. First time using How to turn on Bosch EcoSense dishwasher. The numbers are I just purchased a Bosch dishwasher used. The numbers are SHE3AR72UC192 and FD960500876. It was not heating the water properly and not getting the dishes clean and also was stuck on 1min. A few I have a Bosch dishwasher that is about 10 years old. A few weeks ago, it stopped draining. I had a plumber come out and check the line. There were no blockages. Replaced the instantaneous hot water heater part 00480317. The top our Bosh diswasher has stopped cleaning the top rack. The top spinner is no longer spinning. It filled, ran a bit through the auto wash cycle and then I cancelled the cycle. It is less than one year old. I make it a practice to substantially clean dishes by hand before placing them in the washer. The dishes are still dirty and the detergent packet isnt even dissolved after the cycle is complete. Water Our Bosch dishwasher shx45p05uc is not draining properly. Water is collecting at the bottom. Can you tell me why. Installed four days ago. Bosch Dishwasher model SHX45P05UC. Installed four days ago. JustAnswer is not intended or designed for EMERGENCY questions which should be directed immediately by telephone or in person to qualified professionals. Show More Show Less How it works Login Contact Us Ask Your Question Send It. Amount of clearance needed depends on the thickness of the door panel and the height of the dishwasher. 4. The electric plug, water supply and drainage hoses should be placed on either the left or right side of the dishwasher. Ensure the plug and hoses can extend at least 60cm so that the dishwasher can be pulled out from the cabinet for maintenance without having to unplug the hoses and power cables. Be sure to disconnect the power and water supply before any maintenance work. 5. An opening of 100mm x 50mm is recommended to allow the electric plug, AquaStop water inlet and water outlet to pass through the side or back panel of the kitchen cabinet comfortably. While we endeavor to provide you with help as best as possible, there will be times where we will get back to you the next working day. Thank you for your support and we look forward to be of continuous service to you. We seek your understanding and cooperation with the following safe distancing measures to ensure that the Experience Centre remains a safe environment for everyone. Visits are strictly by appointment only. Kindly note that a maximum of 6 customers will be allowed in the Experience Centre at any one time. Thank you for your patience and we'll see you soon.
