Behind The Screen

Rajesh Reghunathan
Director Commercial/Operations

Unni Krishnan says, “The focus of our strategy should be making sure that our products and services meet customer needs and developing long-term and profitable relationships with those customers. To achieve this, you will need to create a flexible strategy that can respond to changes in customer perceptions and demand”.

Rajesh says, “In business, development occurs whenever you communicate with the public in an attempt to influence them towards buying your products or services. Generally, businesses promote their brand, products, and services by trying to bring them to the forefront of their target audience’s attention”.
