Leisure Division - A subsidiary of Caesars Travel Group

About Us

Caesars Leisure Division is a subsidiary of Caesars Travel Group (CTG) which comes under the umbrella of Caesars Group of Companies - the parent organization. Under Caesars Leisure Division, we have many other subsidiaries also, based on the product that we are handling.

Our Leisure Division was established in 2002, and almost an 18-year-old name in the travel/tourism trade. Initially formed to meet the in-house demands of our group but over a period of time, we started to look for the new avenues, not only for the in-house requirements but for the whole country's outbound tourism.

We, at Caesars Leisure Division are a team of highly experienced and energetic professionals with decades of experience and practical knowledge which enables us to provide the best holiday solutions for leisure travelers.

Key Management

There is nothing quite like a good holiday and it is a great opportunity to get away from your daily routine and see new places, and these trips are also important in terms of health and wellbeing. A holiday can be a chance to improve your physical and mental well-being, and an experience which everyone should be taking advantage of at least once a year.

Keeping these psychologies in mind, Caesars Holidays Leisure Division was formed with a team of experienced leisure professionals in the trade.

Cruising has emerged as a popular vacation choice in tough economic conditions. It has become a top vacation choice due to its all-inclusive and value-driven nature and continues to grow as more and more travelers discover that cruising offers exotic destinations with enticing excursions at attractive pricing.

We have taken this market intelligence in a positive way. That is why we have launched this new concept of bringing all cruises on one platform under the banner "Cruise Center".
