"CISL" - A Well Established Set-up under Caesars Travel Group

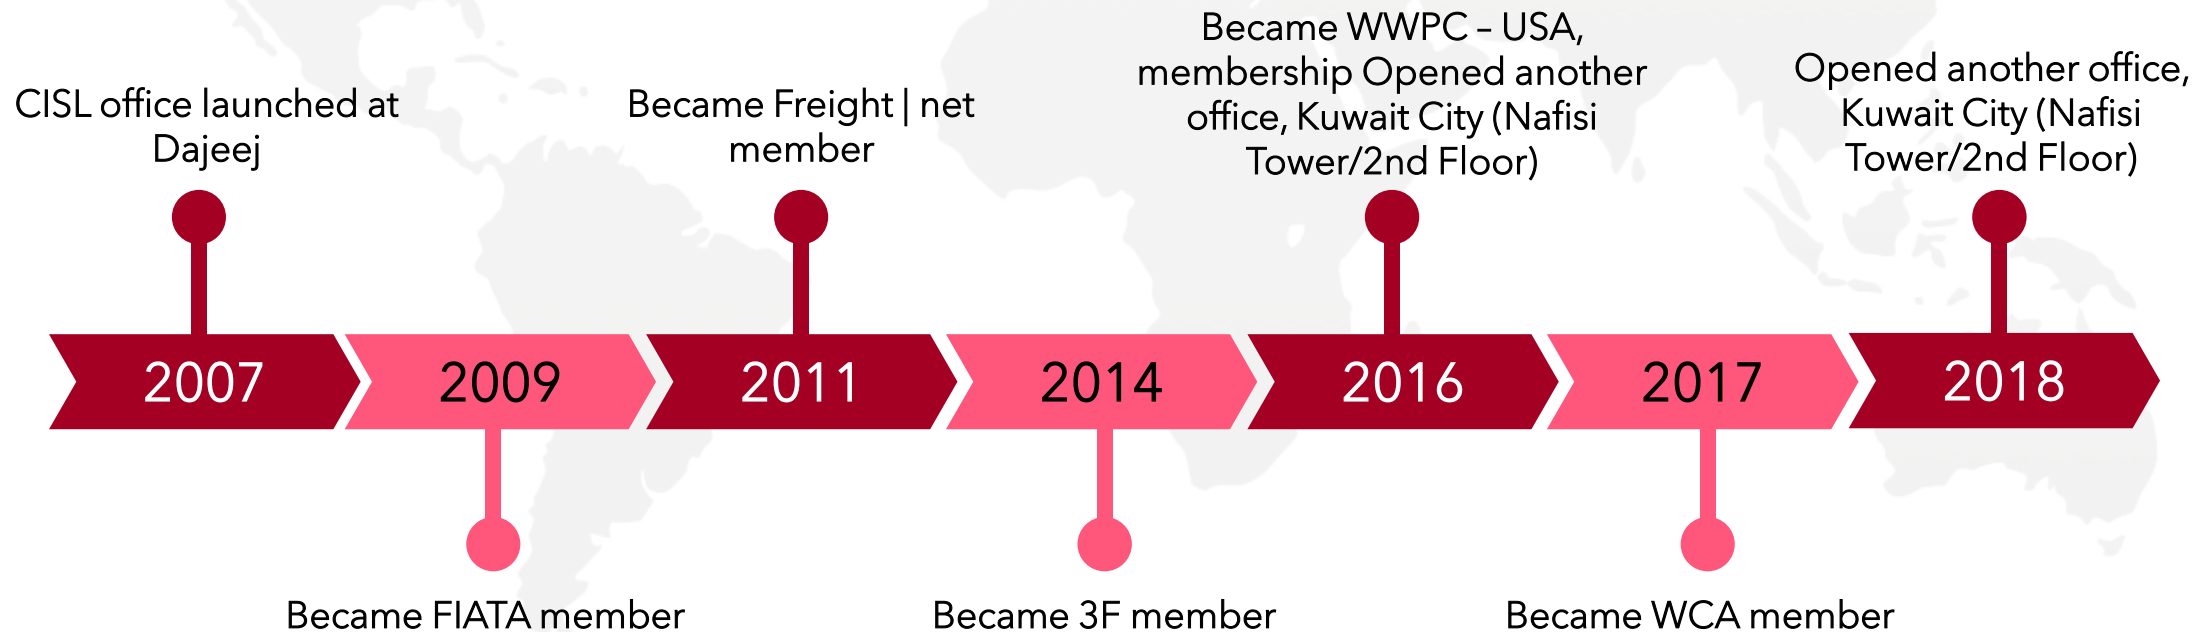

CISL is a subsidiary of Caesars Travel Group and CTG is a subsidiary of Caesars Group of Companies - the parent organization. Here, Caesars Travel Group and Caesars Group of Companies are financially strong, having a good reputation and goodwill since many years and spread over not only in Kuwait but all the Gulf Cooperation Council (GCC) countries, therefore, Caesars Int'l Shipping & Logistics Company is always protected with a financially sound group, even at worst scenario to withstand any temporary problems such as decrease in sales, lack of capital or such negative impacts based on the business fluctuations.

However, CISL is operating with a successful growth strategy at the moment, trying to find out the opportunities of expanding by looking for new challenges.

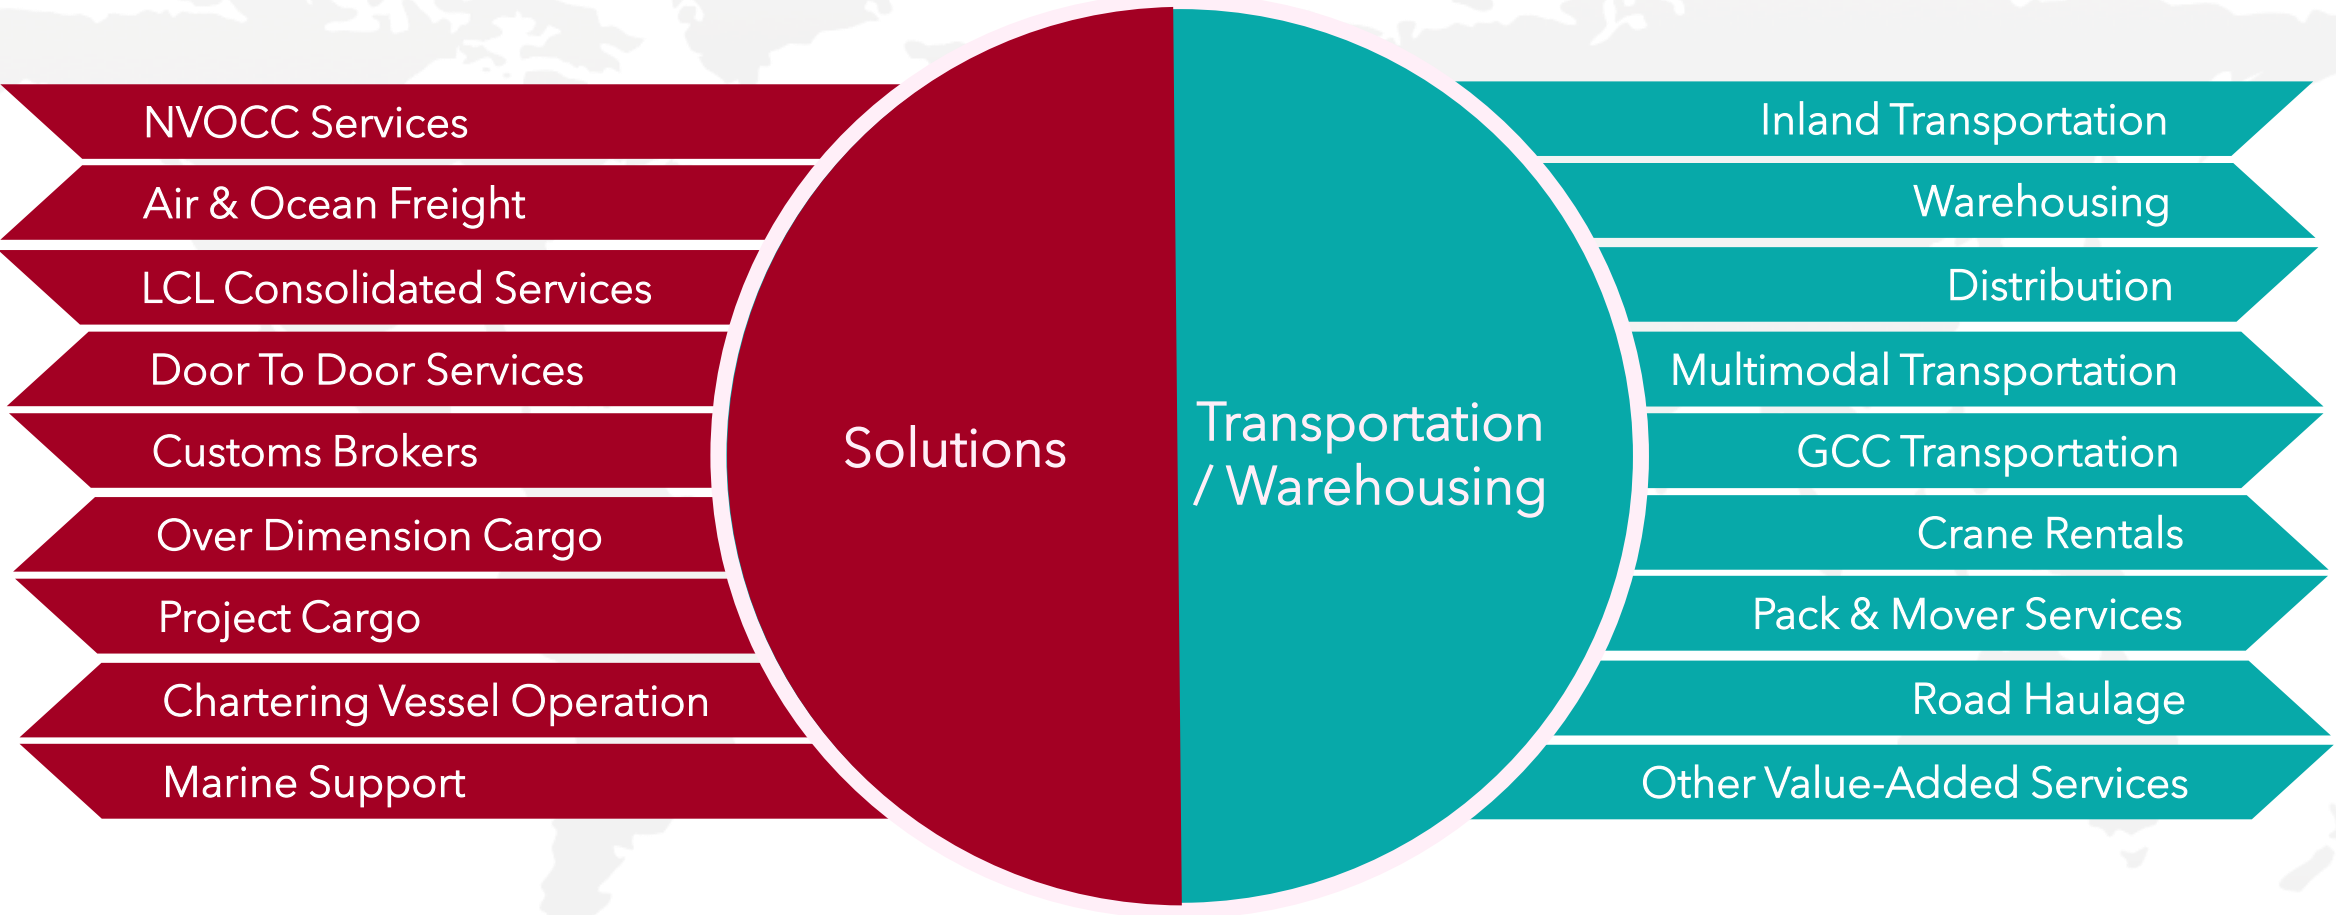

CISL JOURNEY

The CISL story started in the year 2007, when the promoters of the company - Caesars Travel Group, launched as one of its subsidiaries. The objectives before the promoters were to provide Shipping Agency services to the in-house divisions but in the 13 years of its existence, this company grew in a formidable manner, to encompass within its scope of an integrated logistic solutions provider.

OUR SERVICES

OUR TEAM

Teresa says, "according to me when working with a shipping company means, facing the challenges include meeting schedules, keeping track of the components for traceability, protecting parts from damage while in transport, lost shipments, minimizing freight costs, reducing emissions from the transportation of those goods, and, overall ensuring a smooth flow of products through our intermediaries to deliver the goods on time for the entire satisfaction of the client - This is what we are aiming through CISL"
